

*«My number one tip would be to remember that learning a language is fun and should always be thought of in that way»*

Hi! My name is **RUTH MOLLOY**.

I was born in London and brought up in Manchester **and I moved to Spain 13 years ago as a certified TESOL teacher**. I have been teaching all this time and, since completing my TESOL diploma in 2013, I have also been working as a teacher trainer. When I am not in the classroom or studying, I have a lot of hobbies that keep me busy. **I love walking, tap dancing, reading and learning languages.**

**What I like most about teaching English is meeting all kinds of people and sharing my passion for the English language with them.** I am a very approachable and friendly teacher with the ability to make all my classes not only fun but also a learning experience. In class I put a lot of emphasis on communicative activities.

I have acquired a lot of **tips to motivate students** over the years but my number one tip to you as your coach this year would be **to remember that learning a language is fun and should always be thought of in that way**. Finding things to do regularly in English that you enjoy and find interesting will keep you motivated.

I look forward to being in contact with you this year and if you ever have any questions or doubts about your learning process, just mail me: [rmolloy@ziggurat.es](mailto:rmolloy@ziggurat.es)

Best wishes,
